

HADLEY HISTORICAL COMMISSION MINUTES--10/28/14

Present: Tom McGee, Ginger Goldsbury, Margaret Freeman, Linda Harris, Jeffrey Mish, Linda Ziegenbein and Marjorie Pratt Townsend (guest)

Meeting called to order at 7:00. Margaret Freeman moved that we approve the September minutes with two changes. Tom McGee seconded the motion. All approved.

Dan Regish and David Waskiewicz from the Building Committee reviewed the articles for the upcoming Town Meeting. They urged us to decide how the Commission feels about these articles and to be prepared to speak at Town Meeting. We all agreed that we wanted the Town Hall roof to look historic and that CPA funds be used for the roof. They are ready to proceed with tell tale gauges on Russell School as soon as a contractor is found. We again suggested that they contact Stacia Caplanson to access her data base of preservation specialists for information about historic roofs and to install the gauges.

We agreed that we would like the Commission minutes posted on our website. Linda Harris will ask Bridget Rodrigue to post the minutes. Linda will also ask about the status of Jeffrey Mish's and Linda Ziegenbein's request to be on the HHC.

We decided that we would write a note of thanks to members leaving the HHC. Ginger Goldsbury agreed to draft a note. Margaret will check to see if there are Hadley 350 blankets available to give to Marla Miller and Peg Tudyryn to thank them for their service. We will make note of their service in our annual report. We would like to nominate Peg Tudyryn for the Fred Oakley award and Linda Harris will ask about the nomination process and the deadline for nominations.

Ginger Goldsbury will not be at our next meeting but will send agenda items to Linda Harris as usual. She reported on the Western MA Historical Commission meeting and how inspiring and stimulating it was to attend.

We talked about having a sign on completed CPA projects that would read, "Your CPA funds at work."

Ginger moved at we adjourn the meeting. Linda Ziegenbein seconded the motion. The meeting was adjourned at 9:00.

Linda Harris, Recorder
