SEWER DEPARTMENT:

Please fill out the application and return to the Sewer Commission's secretary. If you have any questions, please call Dennis Pipczynski, Chief Operator, at 413-585-0460.

Residential permits will be issued upon the approval of the Sewer Commissioners at a scheduled meeting. Residential permit applicants will be notified if the permit has been approved. Before the permit is issued, the applicant must submit 2 sets of plans-1 for the sewer commissioners' files and 1 for the

sewer plant's files- and upon completion and inspection of the connection, the applicant must submit 2 sets of as-built plans - showing all tie-ins.

Residential subdivisions will also be required to submit as-built plans.

Commercial permits will be issued upon the approval of the Sewer Commissioners at a scheduled Board meeting. All commercial applicants must submit plans before receiving a permit. If the plans need to be reviewed by an engineer, this cost is to be borne by the applicant.

The applicant will be required to sign the permit and pay the fee before the permit will be issued.

Commercial connections will also be required to submit as-built plans. Restaurants shall submit a design plan for that building to include all

drains and inside and outside grease traps. Design flow must be included also. All food serving establishments are required to have an outside grease trap of a minimum 1500 gallons.

New construction - sewer lines, sewer easements or sewer extensions - will be required to submit an as-built plan, prior to the Board accepting any project. Gifted lines will also be required to submit as-built plans

Trench permit and/or permit to open a public way, if you need to dig in the road, please contact Highway Department at 413-586-2390 for more information. (Applications are available from the Selectmen's Office, Room 106)

FOR INFORMATIONAL PURPOSES ONLY.

DO NOT SUBMIT A CHECK WITH THIS APPLICATION. THE BOARD WILL INFORM YOU OF THE AMOUNT OF THE FEE.

Institutional, Commercial, Industrial & Multi-family permits.

Institutions acting under the provisions of Chapter 141, Section 8, of General Laws and thereby employing licensed electricians who make electrical installations for which a permit is required, shall be permitted to apply for an Institutional Permit. The fee for this permit shall be calculated on the basis of the number of full time \equivalent persons who perform electrical work for which a license is required. There will be a minimum fee of \$250. An additional \$225 for each person thereafter.

Electrical contractors acting under the provisions of Chapter 141, section 1 A of the General Laws and thereby providing employees to perform general electrical work at an institution shall also be permitted to apply for an Institutional Permit. The fee for equivalent employees available to the institution, is as follows.

Each full time available equivalent employee, per year (pro-rated where applicable) \$225.00. Institutions and Electrical contractors holding an Institutional Permit shall maintain a complete and contemporaneous log of all electrical installations performed under the permit showing both the location and the nature of the work performed. This log shall be made available at an appropriate institutional location to the Inspector of wires during all normal business hours without advance notice.

Notes to the Schedule:

- * If over 75% of building alterations is involved, the rate for new construction shall apply for each occupancy.
- ** Per unit or groups of substantially identical units completed at the same time in one building.
- *** Temporary Service shall require a separate permit; other temporary wiring shall require a separate permit only if no other electrical permit applies to the location and the related activity.
- **** This schedule applies in addition to any other applicable schedule.

There will be an additional fee for re-inspections. The first re-inspection is free. After that, a fee of \$25.00 will be charged for every re-inspection.

Fee for not having a permit is double after the fact.

Check returned from bank for any reason will be \$25.00 additional charge.
